

We'd like to be a **Will County Plastic Bag Recycling Challenge School!**

- By applying for the challenge, we agree to set up a **TREX** plastic bag recycling bin in our school. When the bin becomes full, we will take the bags to a participating grocery/retail store within the county.
- In addition, we will notify Wyn Hyzer via email (whyzer@willcountygreen.com) of the number of bags collected by the first of each month.
- The challenge will end on April 22.

District # _____ School Name _____

School address _____ City, Zip _____

Contact person _____ Phone # _____

Contact email _____

SCHOOL POPULATION VERIFICATION

Total number of students: _____

Signature of principal: _____

Date: _____

If you have a pre-school and/or a kindergarten on your campus AND they are collecting bags, include them in your total population. If they ARE NOT collecting bags, do not include them in your total.

***Please return to Wyn Hyzer via FAX —815-722-3410
(Your recycling collection box will be sent directly to you from
TREX after the receipt of your application)***
