

Will County Earth Kids' Pledge

We will do our best to reduce, reuse and recycle at home and at school.

We will create positive change in our communities
and take part in fun and educational actions this school year.

Earn an Earth Flag by completing the first 2 tasks and 2 optional activities.

New schools will receive a 3' x 5' Earth Flag, and all schools will receive an award ribbon.

Students watch 2 of 4 presentations sent by the Will County. Titles include:

Recycling at Home, Composting-Nature's Recycling, Solar Energy, and
Towards Zero Waste

Teachers assign a lesson of their choice to accompany the two presentations shown to students.

OPTIONAL CLASSROOM ACTIVITIES:

- Recycle two materials
- Discuss energy and water conservation
- Create an outdoor learning space or garden
- Design a trash to treasure project out of reused or found objects
- Create a virtual photography fair. Students photograph weather, animals/insects, plants or water. They submit one photo each to their teachers by April 1st. Fair should be held on or around Earth Day which is April 22nd. Will County will provide each participating school with 3 recycled Frisbee flyers by April 1st to be used as awards for 3 school finalists.
