

Maximizing ENERGY STAR Guidelines for Better Energy Management Plans!

Date: April 17, 2013 5:30 PM – 7:30 PM

Location Wight and Company ,
2500 North Frontage Road, Darien, IL 60561

Cost: \$15 (Pre-registration members only and Municipality Representatives),
\$30 (Non-members, Day of tickets, or walk-ins)

Join the **U.S. Green Building Council - Illinois Chapter's Greater Southwest Branch** for *Using ENERGY STAR Guidelines and Resources for Better Energy Management Plans*.

The **ENERGY STAR Portfolio Manager** performance rating tool is an important part of EAc1, Optimize Energy Efficiency Performance in LEED Existing Buildings v2009. But ENERGY STAR also offers other useful tools and methods to achieve enhanced energy efficiency and superior energy management.

This program will review the use and application of Portfolio Manager and then explore other ENERGY STAR resources and guidelines for energy management.

Agenda:

5:30 PM - 6:00 PM Registration and Networking

6:00 PM - 7:00 PM Presentation

7:00 PM - 7:30 PM Q&A and Networking

Presenters:

Bruce Bremer, President, Bremer Energy Consulting Services, Inc.

Matt Huffman, Manager, Energy Services, Murphy & Miller, Inc.
